

Fundamental Field Trip

Access Dental Care Clinic-Esteem Mall

A field trip to dental clinic was organized on 4th Aug 2011 for Fundamentals of Jain Heritage School. Children learnt about oral care in a fun way through a rhyme. A demo on brushing & flossing was given by the dentist. A video on techniques of brushing was telecasted to children and they were amused to see the video. Children were shown different equipments used by the dentist. They were given healthy snacks like corn, biscuits, cake & banana. Awareness on dental hygiene and good food was created among children.
