

## REPORT ON THE VISIT TO INFOSYS

The students of Jain Heritage School were taken on an educational tour to the pristine Infosys campus located in Electronic city, Bengaluru.

We saw a movie in the convention centre of Infosys, depicting growth of Infosys from a small building in Pune to a sprawling campus as seen now and the hardships faced by the stalwarts of Infosys like N R Narayan Murthy, Gopala krishnan, Nandan Nilekani. The very first client of Infosys was Data Basics Corporation in New York. Now it is one of the leading Information Technology Company, serves customers located in diverse geographical domains and one of the pioneers in strategic offshore outsourcing software services.

Talking about the principles of excellence, Mr. Murthy said Infosys is pursuing value system of 'C - LIFE' Customer focus, Leadership by example, Integrity and transparency, Fairness and Excellence in execution to achieve goals.

An individual can take a lead out of the success story of Infosys.
