### **BRIEF NOTE ABOUT ACHIEVEMENTS**

**Esturi Saanvi Acchamamba Gupta**, is an extremely curious girl with excellent memory, reasoning skills and problem solving skills. She learns quickly and with less practice and repetition. Saanvi is a sensitive girl with high perseverance.

At the young age of 5 years, her skills have been acknowledged and as per the verification done by the Editorial Board of 'India Book of Records', only the best has been selected and approved. **She holds 2 Indian Book of Records** as listed below:

1. The record for **solving The 3 x 3 Rubik's cube while chanting simultaneously the sacred 'Durga Suktam'** was set by Saanvi. She solved Rubik's cube in 1 minute and 49 seconds while chanting Durga Suktam, at the young age of 5 years, 7 months and 22 days, as confirmed on July 21, 2020.
2. **Fastest to solve mental ability test:** The record for being the fastest to solve a mental ability test was set by Saanvi. She solved **fifty questions** on pattern completion, analogy, geometrical figure completion, figure matching and figure series completion **in 4 minutes and 20 seconds with 100% accuracy, at the young age of 5 years, 7 months and 26 days**, as confirmed on July 25, 2020. Even MBA graduates take around 5 minutes to solve the same.

School tests tend to test children superficially, only to the extent what they have memorized. But the important skills like the ability to think independently and reason logically – most critical in today's world - are often not aimed at or tested in school tests. Saanvi has excelled and proved her understanding of the Science and Math's concepts by Securing **International rank: 18 and Zonal rank:1 in National Level Science Talent Search Examination in class -2.**

Saanvi is very well updated with this competitive world dominated by computers. Her Knowledge is testified by her **International rank: 103 and Zonal rank: 1 in Unified Cyber Olympiad, which will be held across the Globe.**

Saanvi is very well focused and she can arrange cards as a pyramid in least time. She can arrange **4/3/2/1 cards pyramid in 80 seconds and 3/2/1 cards pyramid in 60 seconds.**

She is religious and interested in listening stories of Ramayana and Mahabharata. **She has been writing Sree rama every day since she was 2 years old.** Her favourite time pass is listening to Sri Ramadasu songs. **Every Trayodashi she does Mrityunjaya mantra Jap for 108 times.**

Saanvi **can write in both hands**, she is learning Swimming, Bharatanatyam, Bhagavad-Gita, Soundarya Lahari and other Shlokas.

We as parents acknowledge every child is gifted. It's we, parent's duty to nurture and guide the kid. With the blessings of the elders, we hope she shines with many more achievements in the future.
