- Coached Karnataka Lions in World Series Hockey in 2012
- Won Singapore's Coach award in 2005 and 2007.

Presently working with Jude Felix Hockey Academy Charitable Trust.

My passion is running the "Jude Felix Hockey Academy"(www.jfha.in) which is a special program working with 60 under privileged children of St. Mary's Orphanage.

This is a non profit organization started in 2009 basically supporting the revival of our National game.

This program is currently run with mere support from friends and well wishers; but, we are hopeful to see any big organization come and help us take this project forward.

It is a huge challenge for all the staff working at the Academy as these kids come from troubled background, however it has been a wonderful experience thus far.
