

Dear Participant,

Let's celebrate your participation in the Gujarat Sahitya Akademi's National Children's Book Competition 2019-2020.

At Gujarat Sahitya Akademi, we have been encouraging children to read and write books since 1962. We have been organizing the National Children's Book Competition since 1972. The competition is held annually in the month of September. It is a platform for children to showcase their writing skills and to receive recognition for their work.

The Gujarat Sahitya Akademi is proud to announce that you have been selected as a winner of the National Children's Book Competition 2019-2020. Your work has been recognized by the members of the Gujarat Sahitya Akademi and the members of the National Children's Book Competition.
