Thought for the day: Your attitude determines your direction.

Dear Parent,

- We are happy to announce that we are introducing **School Cinema** for the students of **Advanced & Basic Fundamentals**. School Cinema is home to an innovative concept of using films for education- from life skills, values and attitudes relevant for today's children to become better humans. School Cinema consists of a vast library of films with a message, coupled with a range of follow-up exercises and fun activities. We will be screening 12 short films throughout the year and students will be given a workbook to work with as a reinforcement activity. The School cinema classes will be held during school hours.
- Math home activity will be sent on every **Tuesday** with effect from **9th July**. Help your ward to complete the assignment and send it back to school on **Wednesday** without fail.
- **English reader** and **Rhyme** will be sent home every day. The child has to carry the same to school every day.
- **School Cinema flyer** has been sent. Kindly retain it at home for your reference.

Regards,

Principal
