

Profile of Guest Speakers

M Mahadevan,

M.A., MED., MIMA, Retd. Principal, Kendriya Vidyalaya

Served as teacher, vice principal and principal for 33 years in Ministry of Education

Work Experience: While in service, Mr. Mahadevan engaged in various types of assignments mostly through his own initiatives and used them as learning experiences. Whether it be in-service courses in his area of specialization with or without foreign collaboration or educational experiments using innovative strategies, Mr. Mahadevan has proved his mettle repeatedly. He has motivated and guided children in self-learning techniques, which enabled them to reach the very top in the scholastic and competitive fields. He is a member of many management and professional associations like the Association of Mathematics Teachers of India, Delhi Association of Mathematics Teachers, Kerala Mathematics Teachers Association, and English Language Teachers Association. His overall contribution to the education sector is reflected in the fact that he is continuing as the General Secretary of the Association of Mathematics Teachers of India for the 18th year in succession.
