

**KRISHNA JANMASHTAMI**

**13th August, 2009**

The joyous day of Krishna Janmashtami was filled with fun and happiness. All the students gathered around the idol of Lord Krishna for puja. They also enjoyed the traditional act of breaking the pot. For this activity all the children gathered in the lawn. A pot was decorated and hung up in the lawn which was broken by the male staff of JHS. They also had water filled balloons which were thrown at the people trying to reach the pot. The children enjoyed themselves & at the same time became aware of their traditional customs.
