

PRE-FUNDAMENTALS

Fun with fruits: Teachers and kids take a tour down the fruits land, where different types of fruits were washed, peeled, grated, chopped and cut. A nice colorful salad was prepared and given to the children to eat.

My body & Sense organs: Different activities related to this theme were conducted like-----

Tongue- Used to taste sweet chocolate, and spicy sauce, salty salt.

Nose- They smelled different types of flowers, perfume and soap.

Eyes- Went around the school campus for a nature walk where they saw tall trees, birds, green grass, flowers and enjoyed the beauty of colors.

Touch & Feel- The children enjoyed touching the soft, hard, rough, smooth figures from different books.

Cut & Paste- A cut out of the child was made and the children pasted different things like leaves, twigs, flowers and seeds on the cut out.

How Tall am I: Different colored strips were pasted on chart papers to measure the height of each child. The chart papers were put on the walls.
