

**8th Mini Olympics Inter School Sports Meet
11 September 2015 – Day 2**

The 8th Mini Olympics held at Jain Heritage School by the tiny tots of Early Years & Pre Fundamental kids on 11 September 2015. It was a present Friday morning & all were geared up for this momentous occasion to begin. The children were dressed in a theme of a rainbow & the facilitators represented the same. It seemed like the rainbow descended the earth along with the sun. There was a drill display by the Early Years & Pre Fundamentals with their incredible aerobic moves.

To grace the occasion we had amidst us Dr. Renuka D Anvekar, Chief Moderator I-Math India Pvt. Ltd –Chrysalis along with Mrs. Archana Vishwanath, Director, Jain Heritage School. There was a display of grand finale by the children of pre-fundamentals who showcased their talent through a waving march which was the proudest moment like an icing on the cake. Three cheers to these tiny tots who spread these true colors of joy across the campus.
