

JAIN HERITAGE SCHOOL

NCC Cadets Support – Bengaluru Urban Ecological Restoration Mission

Twenty NCC cadets from Jain Heritage School participated in the plantation drive organised under the **Bengaluru Urban Ecological Restoration Mission 2026–2030** at **Dr. Shivaram Karanth Layout, Bengaluru**, contributing to a significant environmental initiative aimed at enhancing the city's green cover.

Demonstrating their commitment to environmental conservation and sustainable development, the cadets planted **over 200 native saplings**, contributing to Bengaluru's ambitious green initiative. Their efforts formed part of a historic campaign that earned a **Guinness World Records** title for **"The Most Plants Planted by a Team in 12 Hours."**

The plantation drive provided the cadets with a meaningful opportunity to promote environmental stewardship, teamwork, and community service while upholding the core values of the **National Cadet Corps (NCC)**. Jain Heritage School is proud of its cadets for their enthusiastic participation in this landmark initiative and their contribution towards building a greener and more sustainable future.

Congratulations
