The Gift of True Heritage

Jain Heritage School nurturing Gen- Z to become individuals of world-wide expertise with futuristic skills and leadership qualities

Jain Heritage School (JHS), located at Hebbal, North Bengaluru, is part of the renowned Jain Group of Institutions, which operates over 77 educational institutions at the K-12, undergraduate and postgraduate levels spread across 64 campuses in India and South Asia. Serving over 75,000 students and employing 10,000 staff, the JGI group has emerged as one of the prominent leaders in the education field.

Dr. Chenraj Roychand, a distinguished Indian educationist, entrepreneur, angel investor and

philanthropist with over 40 years of experience, is the Founder Chairman of the JAIN Group and the Chancellor of JAIN (Deemed-to- be University). He established Jain College in 1990 with the aim of providing quality education to the students. This marked the beginning of his journey with education which led to starting many more colleges and schools.

We believe in an education that fosters both academic, athletic, and personal growth.

A day in the life of a JHS student can be varied, interesting, busy, and above all - inspirational. Our students face a

day filled with rigorous coursework, exciting cocurricular activities, and an opportunity to excel in sports. We strive to create an inspiring environment where your child can develop a lifelong passion for learning!

At JHS, we believe in holistic education and development of children. From Early Years (2 Years) programme to Grade 12, our curriculum is built to enable diverse and engaging learning experience. It empowers your child to become confident and compassionate. Join the JHS community and provide your child the gift of true heritage!

HIGHLIGHTS

- ▶ Personalised attention and support to every child
- ▶ Trained teachers with expertise and experience who are receptive to children's needs
- ▶ Socialisation with peers for children's communication skills and emotional growth
- ▶ Certified activities that introduce cultural and group engagement
- ▶ Regular field trips for practical understanding of theoretical concepts
- ▶ Secure transport system under vigilant supervision
- ▶ Primary medical assistance made available on the campus
- ▶ Well-guarded campus that encourages active outdoor play for children
- ▶ Extended day care providing quality care beyond regular school timings
- ▶ An innovative curriculum that incorporates the Theory and Practice of Multiple Intelligence
- ▶ Besides subject expertise teachers are trained to be proactive, friendly, and approachable
- ▶ Low teacher-student ratio ensures personalised learning
- ▶ Professional sports training provided under the guidance of experienced coaches
- ▶ Access to diverse clubs and co-curricular activities
- ▶ The extra-curricular activities features field trips, cultural events, environmental, community outreach programmes and campaigns
- ▶ Hygienic refectory serving well-balanced and nutritious diet
- ▶ Well-equipped science laboratories and informatics lab powered by high-speed internet connectivity
- ▶ Arts & fine arts studio to encourage creativity
